Stageplan and inputlist are minimal requirements for a decent performance. If you cannot provide the equipment above, we are very willing to work around this. Please notify us at least a week up front so we can work out a solution.

Please, no unnecessary cables/pods/stands/valuable things on stage. We tend jump around on stage and we don't want to break any of them valuables. We know those things cost a load of money and the last thing we want to do is to break your stuff.

If we are not allowed to lean/stand on the monitors, let us know in advance.

Please provide water at least 10 small (0,5 litre) bottles of water before the performance start.
